

Available Data on Agriculture and Rural Development (AGRUD) by Agricultural Sub-Sector Classifications, (1960-2009)

● **AGRICULTURE AND RURAL DEVELOPMENT (AGRUD)**

- **Agricultural Finance and Rural Development**
 - Agricultural cooperative and Farmers
 - Agricultural Extension
 - Agricultural Finance
 - Agricultural Credit Scheme Fund
 - Credit for cash crop
 - Credit for fishery
 - Credit for food crops
 - Credit for livestock
 - Credit for mixed farming
 - Credit for other purposes
 - Summary of ACGF finances
 - Deposit Money Banks Credit to SMEs
 - **Nigeria Agricultural Cooperative and Rural Development Bank (NACRDB)**
 - **Rural Infrastructure**
- **Agriculture**
 - Agricultural input
 - Agro-chemicals
 - Herbicides
 - Pesticides
 - Fertilizers
 - Consumption
 - Fertilizer export
 - Fertilizer import
 - Fertilizer production
 - Investment
 - Labour
 - Land
 - Land
 - Land tenure
 - Land use
 - Machinery
 - Seeds
 - Agricultural prices
 - Farmgate prices

- Indices of world prices(C.I.F)
 - Producer prices
- Area harvested
 - Crops
 - Pasture
- Consumption
 - Crops primary equivalent
 - Fat consumption
 - Food consumption
 - Protein consumption
 - Livestock and fish primary equivalent
 - Fat consumption
 - Food consumption
 - Protein consumption
- Food supply
 - Food supply primary equivalent
 - Livestock and fish primary equivalent
- Production
 - Crops
 - Crops processed
 - Other crops
 - Seeds
 - Staples
 - Forestry
 - Forestry products
 - Index of agricultural production
 - Live animals
 - Live animals
 - Stocks
 - Livestock primary
 - Livestock processed
- Productivity(yield)
 - Crops
 - Fishery
 - Livestock primary
 - Pasture
- **Energy and Environment**
 - Environment
 - Climate change
 - Desertification
 - Emissions

- Erosion
 - Flooding
- Degradation
 - Arable land
 - Forest
 - Water
- Pollution
 - Air pollution
 - Noise pollution
- Sanitation and Health
- Non-renewable energy
 - Coal
 - Crude oil
 - Crude oil export
 - Crude oil prices
 - Crude oil production
 - Crude oil reserves
 - Crude oil and refined products
 - Electricity
 - Electricity consumption
 - Electricity export
 - Electricity import
 - Electricity production
 - Natural gas
 - Consumption
 - Export of natural gas
 - Production
 - Reserves
 - Nuclear energy
 - Petroleum
 - Refined product
 - Consumption of refined products
 - Export of refined products
 - Import of refined products
 - Production of refined products
 - Refinery
- Renewable energy
 - Climate and water resources
 - Renewable water resources
 - Dam

- Evaporation
- Exploitable water resources
- External renewable water resources
- Internal renewable water resources
- Precipitation
- Rainfall
- Total renewable water resources
- Water use
 - Irrigation and drainage development
 - Area equipped for irrigation by source of water
 - Area under agriculture and water management
 - Conservation agriculture
 - Drainage
 - Irrigated crops and intensification
 - Power irrigated area
 - Pressure on water resources
 - Waste water
 - Water withdrawal by sector
 - Water withdrawal by source
- **Tenure**
- **Rural development**
 - Microfinance
 - Agricultural credit scheme fund (ACGSF)
 - Credit for cash crops
 - Credit for fishery
 - Credit for food crops
 - Credit for livestock
 - Credit for mixed farming
 - Credit for other purposes
 - Summary of ACGSF
 - Deposit Money Banks Credit to SMEs
